### Space and Naval Warfare Systems Center Charleston Awards Contract

CHARLESTON, S.C. — Lockheed-Martin Services Inc., Cherry Hill, N.J., was awarded on Sept. 13, 2005, a \$13,305,476 indefinite-delivery/indefinite-quantity, cost-plus-incentive fee, award term, performance based contract to provide services for the operation of the Towed Array Depot to include production, repair, refurbishment, installation, and testing of towed array sonar systems and the associated engineering, technical and logistics support services. The contract includes four one-year option periods and three award term years which, if exercised, would bring the cumulative value of the contract to \$116,512,788. Work will be performed in Norfolk, Va. (98 percent) and Pearl Harbor, Hawaii (2 percent) and is expected to be completed by September 2006 (September 2013 with options and term years). Contract funds will not expire at the end of the current fiscal year. The contract was competitively procured under full and open competition with unlimited proposals solicited and two offers received via the Commerce Business Daily's Federal Business Opportunities website, and the SPAWAR e-Commerce Central website. The Space and Naval Warfare Systems Center, Charleston, S.C., is the contracting activity (N65236-05-D-8836).
